   - CRC Self-Assessment **
   - Scheduling ***
   - Any New Topic Ideas requiring consideration

   * OUTREACH: One point echoed by more than one CRC member was that this topic perhaps may involve more than a talent bank. Rather, it could involve (a) first, a polling of teachers as to their needs & practices, (b) sharing with them best practices of other teachers and how they effectively use the parent/community population for support, and (c) finding ways to meet unfulfilled needs through parent/community support & talent. With these comments in mind, this topic might best be referred to as "Teacher Support & Outreach" (or something like that).

   ** CRC Self-Assessment: It was noted that, if chosen, this topic may also include an analysis of how the goals of the current Strategic Plan have (or have not) been addressed in preparation for a likely new draft of a Strategic Plan next year.

   *** SCHEDULING: One member noted that this topic may overlap with the "Outreach" topic, because having a talent bank could be one possible solution to creating more opportunity for professional development and collaboration.

7. **Committee Preferences Vote (& Formation if possible)**

8. **Conclusion**
