

Tiered Planning Worksheet

	LEVEL 1	LEVEL 2	LEVEL 3
CONTENT	Describe major threats to ocean life.	Apply use of the ocean's resources to help meet needs of an ever-increasing world population.	Evaluate methods that reduce threats to ocean life.
PROCESS	Comprehension	Application	Evaluation
PRODUCT	Draw an ocean food pyramid including at least 15 organisms. Describe the results of eliminating one layer of the pyramid.	Design a P-N-I chart showing positive, negative, and interesting aspects of the continued use of our ocean's resources.	Design and carry out an investigation to test one possible method of cleaning up oil spills.
