Subject: Approve 2018-2019 Solicitation of Bids for Highcrest Addition

Proposed Action by Board of Education

Approve Fiscal Year 2019 solicitation of bids for construction projects as attached to this board report with expenditures estimated at \$5,241,212 for non-life safety projects.

Background

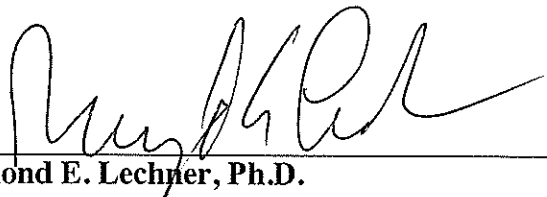

The Facilities Development Committee and the Administration recommend approval to solicit bids for construction projects as submitted in this board report with a total funding level estimated at \$5,241,212 for non-life safety projects.

The construction projects have been reviewed by the FDC. In addition, the School Finance Committee approved the budget parameters for the projects on the attached list. The non-life safety construction projects would be paid out of reserves in our Operations & Maintenance Fund.

This action item is only for the solicitation of bids. The Board will make a final decision on the Highcrest addition in February after bids have been received and reviewed.
