

DISTRICT 39 TRANSPORTATION HANDBOOK

General Information

District 39 provides a fee-based transportation option for families. Bus fees are reviewed and established annually by the Board of Education. The Board subsidizes bus services to make the cost manageable for parents. The District currently contracts with North Shore Transit for bus service.

Contact Information

Transportation Liaison, Michelle McGregor (847) 512-6024
North Shore Transit (847) 677-9700

Please Note: For all inquiries, contact the District 39 Transportation Department. For lost items please contact North Shore Transit. If someone is not directly available at the District 39 Transportation Department, please contact North Shore Transit to handle immediate issues.

Registration and Payment

Registration and payment information is sent out in the spring. To ensure there is room on the bus, parents must register by **July 14th** otherwise they will go on a waitlist. Payment options are as follows:

- Fees for registrations received by July 14th will be \$792 for round trip and \$473 for one way.
- Transportation requests received after July 14th:
 - will result in being placed on a waitlist
 - will only be honored if there is space available (notified as removed from waitlist)
 - will be assessed a late fee of \$100 round trip; \$50 one way
 - will not be able to ride the bus until Sept 6th.
- Any students signing up after July 14th will be assigned to an existing route and stop. Additional changes or additions to bus routes cannot take place until September 5, 2023 As in past years, students will receive route information and their bus pass in the mail before school begins in August.

Capacity

Bus capacity is determined using 2-3 students to a seat for grades K-8*.

	Max. 65 Capacity Bus	Max. 71 Capacity Bus
K-4	60	65
5-8	55	60

* This is assuming all operations are back to normal. We will follow the guidelines followed by the Metrics Advisory Team.

Bus Schedules

Buses will run as close as possible to the provided schedule. However, the first several weeks of school are a period of adjustment. Routes will not run early, but may occasionally run late until everyone becomes familiar with the route. Please keep this in mind when arranging personal schedules.

Parents should discuss with their children a plan of action if the morning bus is missed. Students should know if their parents expect them to return home, go to a neighbor, walk to school, etc.

In the event of mechanical issues or other problems that might cause a bus to run late, a Bright Arrow notification will be sent to parents, the schools will be notified, and the bus will make every stop, regardless of time.

Routes & Stops

Students must be at their designated stop 5-10 minutes before the scheduled pickup time to maintain a safe and timely arrival to school. School bus routes and neighborhood stops are determined by District 39's Transportation Department on the basis of safety and efficiency. Neighborhood stops have been designated to limit a student's walk to no more than three blocks.

In an effort to create efficient transportation, bus routes are determined using information received by July 14th. If space is available, new students may be added to existing routes; however, the routes will not be altered unless circumstances prove it necessary.

Bus Rules

Rules for student behavior are the same as school rules. All infractions will be referred to the school office using the school's discipline system. Discipline may include suspension of bus privileges.

- Please be sure your child is at their designated stop, waiting for the bus. The driver will not pick up students unless they are at a designated stop.
- Bus passes are provided to students at the beginning of the school year. They must be carried at all times and be prepared to be shown upon request.
- Only registered bus riders are allowed to ride the bus.
- Students may ride their assigned bus only; students may not go home on a different bus with a friend, but are permitted to get off at a different stop on their assigned bus.
- Stand clear of the bus until it comes to a complete stop.

Conduct on the Bus

- Take a seat promptly. Do not change seats for the remainder of the route.
- Follow the bus driver's instructions at all times.
- In the event of an emergency, wait for the driver's instructions as to how to proceed.
- Emergency exits are for emergencies.
- Keep all body parts in the bus at all times.
- Normal conversation is permitted. Excessive noise diverts the driver's attention.
- No eating or drinking is allowed on the bus.

Activity Bus

All the buses will depart from the front of WJHS at 4:45. They will then proceed to the upper deck of HMS to pick up those students.

- Bus #1 will then take the students to Central School (9th Ave entrance)
- Bus #2 will then take the students to MCK School (15th St entrance) and then continue on to Harper School (front entrance)
- Bus #3 will then take the students to Romona School, the Rec Center, Indian and New Glenview (serving the northside students), and then Indian and Glenview (serving the southside students).

Please note that these buses are to be used by independent riders. There will not be staff at any of the drop off locations.

Morning Band, Orchestra & Chorus Bus service

Please Note: Any student registered for regular bus transportation is eligible for the Band or Orchestra bus. Late registration fees will be waived for new Band, Orchestra and Chorus students, since they may not decide to join one of the music programs until after the deadline. These students will be accommodated if space permits. Please check with the Transportation Department for availability.

Band/Orchestra at WJHS

Early Band/Orchestra routes begin picking up between 6:35 AM and 6:45AM, depending on the route and stop. They will be dropped off at 7:25.

Band/Orchestra at HMS

Highcrest Band, Orchestra, and Chorus students will ride the Band AM Routes. These routes typically start between 6:35 and 6:45 AM. All buses arrive at WJHS no later than 7:30 AM. HMS Band, Orchestra, and Chorus students are then shuttled to Highcrest. The students will have to change buses at WJHS for the shuttle. The shuttle bus will arrive at Highcrest around 7:45 AM.

* This is assuming all operations are back to normal. We will follow the guidelines followed by the Metrics Advisory Team.

Frequently Asked Questions

Q: *Whom should I contact with questions or concerns about my child's bus stop or route?*

A: For all questions regarding neighborhood stops and routes, contact the District 39 Transportation Liaison. North Shore bus drivers cannot make any route changes. (Please see the section on Contact Information.)

Q: *Can the bus stop in front of my house?*

A: We now have stops that serve each neighborhood throughout the community and will be consistent from year-to-year. This allows for routes to run as efficiently as possible with no student having to walk more than three blocks (most students walk two blocks or less) When routing students it is not possible to select stops based on each parent's personal situation. We do recommend that a parent of a younger student remain at the bus stop until the students are picked up.

Q: *What is the range of time students may be on the bus?*

A: Please remember that before boarding the bus after the dismissal bell, students need time to gather materials and belongings, walk to the busing area, and board the buses. This

transition time can take up to 15 minutes. For example, Wilmette Junior High School ends at 3:10 pm, however buses depart from the Junior High closer to 3:18pm.

Q: *If my child's bus is late, what should I do?*

A: Weather, traffic and mechanical issues can delay buses. In the event of excessive delays, District 39 Transportation Department will send out a Bright Arrow alert notifying parents. For questions, please contact the Transportation Department.

Q: *What do I do if my child leaves an item on the bus?*

A: Please call all North Shore Transit at (847) 677-9700, between the hours of 7 AM to 6 PM.

Q: *Can arrangements be made for my child to get off at a bus stop other than his or her assigned stop?*

A: Students may only disembark at their assigned stops. If they must get off at a different stop, the parents of children must email the Transportation Liaison providing details and confirmation 24 hours in advance. This information will be passed along to North Shore, the driver and the school office.

Q: *What should I do if our family is moving to another address within the District boundaries and we've already paid for bus service?*

A: Contact your school office and the Transportation Department to ensure that your information is updated. We will make every effort to place your student on a new route, however a seat may not be available due to a bus capacity issue. Please contact the Transportation Department to see if there is space available for your child on the new route.

Q: *My family is new to the District. Will we have to pay the late fee and are we guaranteed a spot on the bus?*

A: No, you will not be assessed a late fee. We will work to accommodate your student as best we can, however, we cannot guarantee a seat on the bus.

Q: *Can my student be assigned to another bus stop address, for example a babysitter?*

A: No, we can only assign bus stops near your home address, or the park district (Romona, Highcrest).
